Dear Mr. Cerbone,

Room 7 second graders at Skyline Elementary have been learning about our community. We have been learning about different businesses and have a few suggestions for Ferndale. Here are our opinions about businesses that Ferndale needs. We hope that they are helpful for future planning. Enjoy!

From,

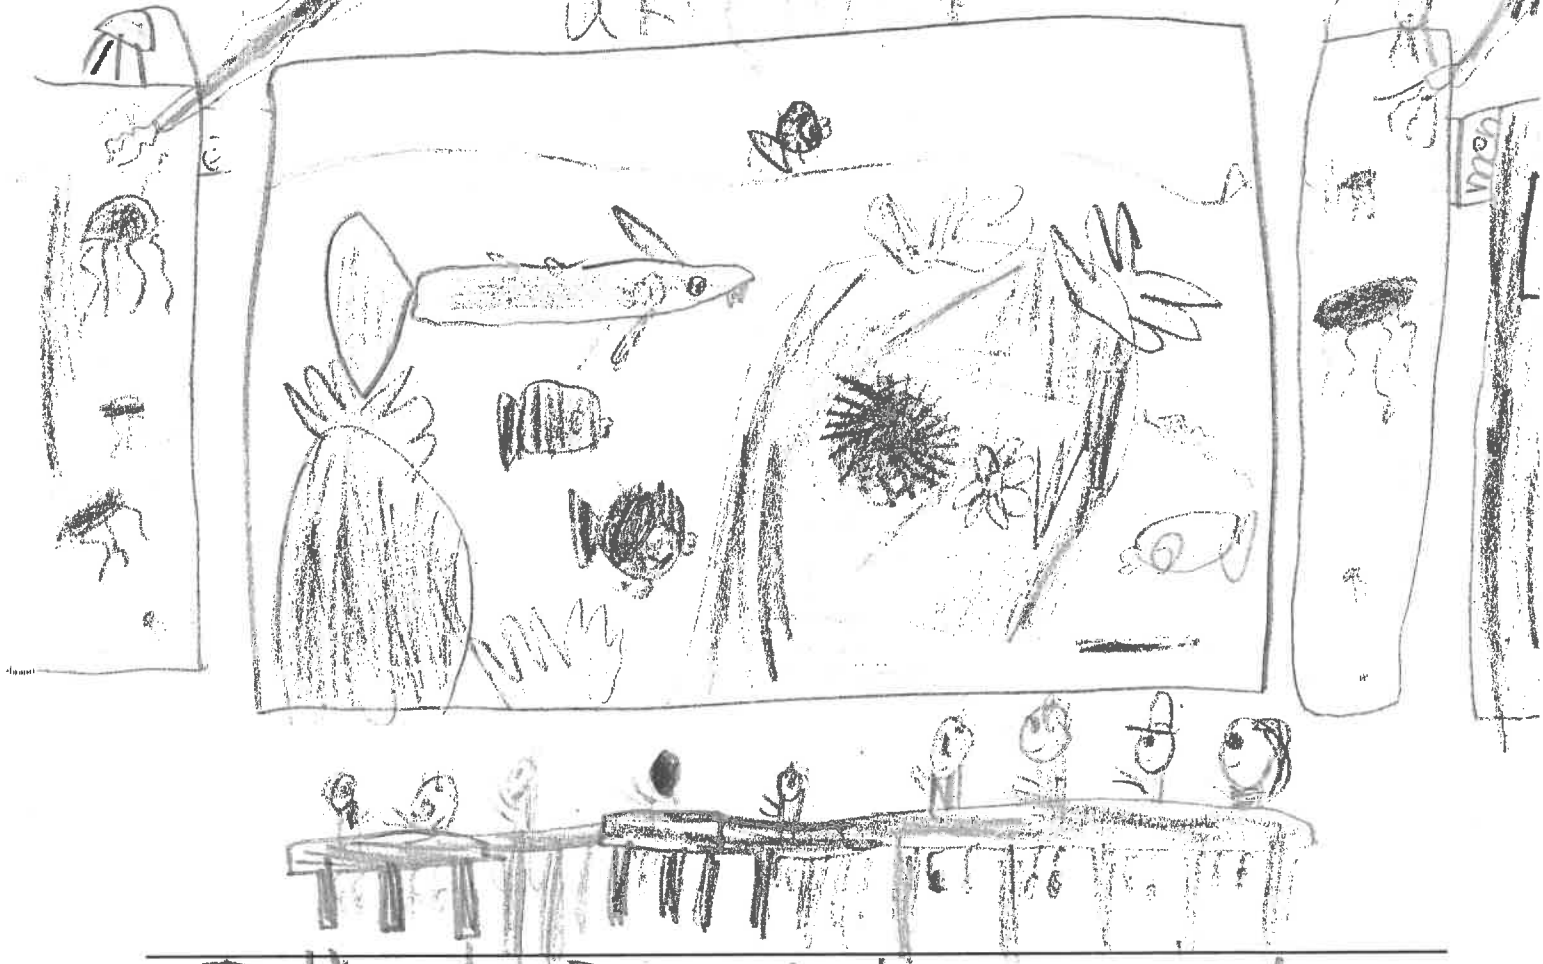

Mrs. Otterholt's Second Graders

that lots of people can find
a parking space in a car-
garage because they are
sooooo big! Finally car-

this is why Ferndale
needs a car garage.
